

## NORTHERN MANITOBA FISHING

Was \$3,895 **NOW \$2,995**

July 31- Aug 3, 2010 - 4 Days Fishing

The world-renowned North Seal River is a Canadian heritage river and offers Northern Canada's finest trophy orthern pike fishing. No other lodges, no commercial fishing, just pristine Canadian wilderness with the closest road over 160 miles away. It is simply the finest watershed in Manitoba fishing.

This lodge offers incredible angling for huge orthern pike with fish up to 53" taken and even larger have been sighted. But there's so much more... trophy lake trout, walleye, and arctic grayling all thrive within their waters. Lake trout up to 50 lbs. with a healthy population of 20s and 30s, will delight even the most experienced lake trout fisherman. It holds incredible populations of walleye, averaging 22"- 26" and up to 12 lbs.

They offer an exquisite 5-star lodge and separate deluxe cabins allow privacy for guests. Package includes transportation from Winnipeg, meals, lodging, guide and maid service, and equipment. Taxes are not included.
