

Hosted Hunts, Inc. VIP program

Hosted Hunts, Inc. is committed to you our customer and we will work tirelessly to ensure that your experience in the field is the best that it can be. One of the services that we offer that demonstrates this commitment to you and your satisfaction is our VIP program. This program is developed exclusively for you our client as an extension of our adventure booking services. To qualify for this exclusive program you simply have to be under a current booking contract with Hosted Hunts, Inc. The objective of the VIP program is to ensure that you have the necessary equipment to ensure your personal safety and provide you with the best possible opportunities and comfort in the field.

To provide this opportunity, we are excited to announce our exclusive partnership with Streiff Sporting Goods of Warroad, MN. Since 1987 Streiff Sporting Goods has earned a reputation as a premier sporting retailer. With a commitment to customer satisfaction, a great selection of quality products, and a passionate and experienced staff we know you will appreciate working with them as you prepare for a memorable adventure.

Once you book a trip with Hosted Hunts, Inc. we will organize a phone conference with an equipment expert at Streiff Sporting Goods. This conversation will provide them with a better understanding of your current equipment, the trip that you are going on, species that you are pursuing and the weapon that you will be using. After establishing this, your equipment expert will go to work. By working closely with the outfitter you are using, studying the geography and weather patterns for the area, and drawing on vast personal experiences your equipment expert at Streiff Sporting Goods will prepare a very specific and exclusive recommendation on what equipment you will want to consider for your trip.

Purchasing these items is easy through Streiff Sporting Goods on line store at www.streiffs.com. You will be provided with an exclusive password that will give you access to the recommended products at significant savings. You can also purchase items that are not specific to your trip while enrolled in the VIP program. To top it off most items will ship free of charge right to your door step. Just one more way for us to say thank you for choosing Hosted Hunts Inc, and Streiff Sporting Goods.

We are confident you will find the VIP program to be a great value to you as a customer of Hosted Hunts, Inc. Not only will you have the right equipment for your specific trip but you will also have access to exclusive Hosted Hunts pricing. Great Gear, Great Price, Great Trip... The VIP treatment you deserve.
